

Liquid Ice is a proven success at nearly 600 foodservice locations throughout New England.

Liquid Ice provides a total beverage equipment and service solution, including Ice, Fountain Soda, and Frozen Beverage Treats.

Liquid Ice distributes frozen beverage supplies, including cups, lids, straws and frozen beverage concentrates.

Liquid Ice's service technicians employ the latest technology, including GPS navigation and real-time web based reporting, accessible to the customer.

Contact Liquid Ice or one of our many satisfied customers for more information.
